

We would like to inform you that we upgraded the ŠIS with "Printing certificates of enrollment".

Students can print a certificate of enrollment in the menu **MY DATA - Certificate of enrollment**.

The student can only print a certificate of enrollment for the academic years when he / she has the status of a student.

The screenshot displays a web interface for a student portal. On the left is a vertical menu with blue buttons. The top button is 'MY DATA', and the button below it is 'Certificate of Enrolment'. Both are highlighted with red rectangular boxes. Below these are buttons for 'EXAMS', 'PRELIMINARY EXAMS', 'MISCELLANEOUS', 'MATERIALS', 'QUESTIONNAIRES', and 'EXIT'. The main content area on the right is titled 'Certificate of enrolment'. It contains the text 'You can print the Certificate of Enrolment for the academic year:' followed by a dropdown menu showing '2019/20'. Below this is the text 'Language of Certificate:' followed by two radio buttons: 'Slovenian' (unselected) and 'English' (selected). At the bottom of this section is a button labeled 'Show PDF'.

If the student has a negative financial situation on the faculty, he can not print a certificate and the system print out: »Due to outstanding financial obligations, it is not possible to print the certificate!«
